Together Announces Launch of Brooks Asset Backed Securitisation

5 July 2021

Together Financial Services Limited (“Together” or the “Group”), one of the UK’s leading specialist mortgage and secured loan providers, is pleased to announce the launch of the new £96.2 million Brooks Asset Backed Securitisation 1 Limited (“BABS”) facility, which matures in 2026.

BABS is a tailored facility consisting of a varied pool of certain residential and commercial purpose non-performing loans previously funded within the Senior Borrower Group¹. Consistent with the Group’s wider securitisation program, Together will continue to service and manage the loans within the new facility and will retain the customer relationships, reflecting our specialist expertise and our focus on ensuring the best outcomes for our customers.

Commenting on the launch, Gary Beckett, Group Managing Director and Chief Treasury Officer at Together, said: "We are delighted to have successfully launched this new facility, which follows the recent CRE1 and CRE2 issuances, broadening our funding platform and raising additional liquidity to support the Group’s future growth ambitions."

¹ Senior Borrower Group means Together Financial Services Limited and its subsidiaries excluding loans funded within our securitisation program.
